

Pike Bay Community Association invites you:

FELTING

Friday, July 19

1:00 - 3:00 p.m.

Local artisans Michael Rouse and Peter van Ryn of **woolwaterneedle** return to guide you through this interesting technique to create a 5" X 7" landscape called "Pike Bay Sunset", and learn beginner skills in wet felting with wool in the process. \$40 includes all supplies. Tea will be available. You pay at the class but please pre-register by emailing pikebay.ontario@gmail.com.

Come and have fun while learning and creating. We will be turning the photo on the left into something like the felted picture on the right.
